Brand Story

{ Beauryn }

BEAURYN은 **Beauty + Clean**의 가치를 담아 탄생한 브랜드입니다.

We believe that true beauty begins with cleanliness. Using pure ingredients sourced from nature and supported by careful research, we create products that bring comfort to the skin and help transform everyday care into healthy beauty.

More than just a cosmetics brand, BEAURYN strives to be a trusted companion in every moment of self-care. Beauty that begins with purity and cleanliness — that is the value BEAURYN stands for.

Sustainable Beauty for People and the Planet

Healthy skin begins with a better foundation.

Instead of using purified water, we carefully select water sources that create a synergy effect with product efficacy, developing formulations only with safe and beneficial ingredients.

At YEINME COSMETIC, we are engaged in diverse R&D initiatives, including the use of deep ocean water for wet-ingredient preservation, fusion extraction technology for natural materials, and AI-driven personalized cosmetic recommendations.

When selecting natural ingredients, we go beyond origin stories and histories, ensuring transparency and integrity. We never compromise by using harmful chemical substances, and continuously strive to discover and develop new natural raw materials.

All YEINME COSMETIC products are researched, developed, manufactured, and managed in-house. Our flexible production system allows for small-batch, multi-variety manufacturing, enabling businesses to produce customized products at low cost and high quality, free from the limitations of mass production such as storage fees and expiration constraints. In addition, we develop and provide allergy-free fragrances tailored to each product concept.

Donation initiatives supporting underprivileged women

Contributions to programs such as Kim Mi-kyung's Groomom and Nanumyeo Hanadoegi (Sharing Together)

“YEINME COSMETIC —Delivering Sustainable Beauty Solutions”

The YEINME COSMETIC Clean Line is designed as a specialized care solution that suppresses harmful bacteria while promoting beneficial ones. Formulated with gentle ingredients safe for ages 5 and above, it is crafted exclusively with natural bio-based materials—completely water-free, filled only with purity and innovation.

01. Beauryn Hinoki Water Feminine Cleanser

Made with phytoncide-rich hinoki cypress water, this feminine wash helps with odor control and hydration. Safety is guaranteed through low-irritation tests, harmful substance-free tests, and paraben-free certification.

02. Daon Lactofoam Feminine Cleanser

Based on deep ocean water rich in pure minerals, this gentle daily-use cleanser soothes and hydrates the skin. Its anti-Candida antibacterial effect has been clinically tested, and it has obtained vegan certification from The Vegan Society (UK). It is a fragrance-free premium product, proven safe through low-irritation tests, harmful substance-free tests, paraben-free tests, and allergen-free tests.

03. Deun Feminine Cleansing Tissue

Formulated with deep ocean water, these single-use cleansing tissues provide hydration and soothing care. Both the formula and fabric have been tested for skin safety, absence of harmful substances, allergen-free assurance, and paraben-free certification.

Beauryn Itching Relief Lactoform Feminine Wash

Product Overview

A foam-type feminine cleanser enriched with deep ocean water and seaweed extracts, delivering abundant minerals and hydration. Infused with probiotics such as Lactobacillus, Bifida, and Streptococcus, it helps maintain balance in the intimate area while providing gentle, refreshing cleansing.

Key Ingredients

- ✓ Deep Ocean Water → Mineral supply, pH balance care
- ✓ Probiotics Complex (Lactobacillus, Bifida, Streptococcus, etc.) → Supports beneficial microbiome balance
- ✓ Seaweed Extracts (Kelp, Sea Mustard, Sea Grapes, Ecklonia) → Antioxidant, moisturizing, mineral reinforcement
- ✓ Hinoki Leaf & Green Tea → Antibacterial, soothing

Functions & Benefit

- ✓ Maintains healthy pH balance in sensitive areas
- ✓ Strengthens microbiome equilibrium
- ✓ Provides hydration and antioxidant synergy
- ✓ Gentle yet rich cleansing with foam texture

Differentiation

- ✓ Unlike conventional feminine cleansers, this product is uniquely positioned as a "Marine Bio Feminine Wash", combining deep ocean water with seaweed extracts.

Its probiotic complex offers advanced functional care, setting it apart in the feminine hygiene market.

No irritancy

This product has undergone rigorous skin irritation testing by clinical institutions, ensuring worry-free application for sensitive skin.

Beauryn Itching Relief Phytoncide Feminine Wash

Product Overview

A low-irritation feminine cleanser designed for the delicate Y-zone.

Formulated with phytoncide-rich hinoki water and hinoki leaf extract, it delivers natural antibacterial and soothing effects. Enriched with lactobacillus ferment and a blend of herbal extracts, it helps relieve itching while providing lasting hydration.

Key Ingredients

- ☑ Hinoki Water & Hinoki Leaf Extract → Antibacterial, deodorizing, soothing
- ☑ Artemisia Vulgaris, Houttuynia Cordata, Green Tea → Anti-inflammatory, antioxidant, skin calming
- ☑ Damask Rose Callus, Scutellaria Baicalensis, Centella Asiatica, Peony Root → Soothing & anti-inflammatory complex
- ☑ Lactobacillus Ferment Filtrate / Lysate, Yeast Ferment → Supports microbiome balance
- ☑ Hyaluronic Acid, Beta-Glucan → Hydration & skin barrier reinforcement

hyaluronic

betaglucan

Functions & Benefit

- ☑ Relieves itching and calms irritation
- ☑ Provides natural antibacterial & deodorizing effects of phytoncide
- ☑ Deep hydration and skin barrier strengthening
- ☑ Creates a balanced microbiome environment with lactobacillus ferment

Differentiation

- ☑ While conventional cleansers focus only on cleansing, this product offers dual benefits: antibacterial & soothing care plus microbiome balance.
- ☑ With natural hinoki water as its base, it establishes a unique positioning as a phytoncide feminine wash.

No irritancy

This product has undergone rigorous skin irritation testing by clinical institutions, ensuring worry-free application for sensitive skin.

Beauryn Itching Relief Delicate Body Wipe

Product Overview

A flushable feminine wipe designed for convenient use anytime, anywhere. It delivers instant cleansing and hydration, with a functional formula that goes beyond ordinary wipes—offering antibacterial, anti-inflammatory, and moisturizing benefits.

Key Ingredients

- ☑ Deep Sea Water → Refreshes and supplies essential minerals
- ☑ 4 Types of Fermented Probiotics (Lactobacillus, Lactococcus, Bifida, Yeast) → Maintains skin balance
- ☑ Niacinamide → Anti-inflammatory + improves skin tone
- ☑ Seaweed & Herbal Extracts (Rhubarb, Scutellaria, Peony Root, Magnolia Bark, Mud Mushroom) → Antioxidant & antibacterial support
- ☑ Beta-Glucan, Sodium Polyglutamate → Moisturizes and strengthens skin barrier

Functions & Benefit

- ☑ Portable for on-the-go use with instant cleansing effect
- ☑ Combines antibacterial, anti-inflammatory, and moisturizing properties
- ☑ Flushable material → Eco-friendly and convenient

Differentiation

- ☑ Enhanced premium functional ingredients compared to regular wipes
- ☑ Sustainable flushable material promotes eco-conscious value

No irritancy

This product has undergone rigorous skin irritation testing by clinical institutions, ensuring worry-free application for sensitive skin.

Beauryn Itching Relief Delicate Body Pack

Product Overview

A premium body pack that goes beyond basic cleansing to provide skincare-level care for sensitive areas. With moisturizing, brightening, and wrinkle-improving functions, it supports both skin health and beauty for women

Key Ingredients

- ☑ Deep Sea Water + Ginseng Extract → Boosts skin vitality & antioxidant protection
- ☑ Jojoba Oil, Shea Butter, Olive Oil → Provides deep moisture and nourishment
- ☑ Ceramide, Hyaluronic Acid, Lecithin → Strengthens skin barrier
- ☑ Alpha-Bisabolol, Adenosine → Functional ingredients for brightening and wrinkle improvement
- ☑ Fermented Probiotics (Lactobacillus, Yeast, Kluyveromyces) → Supports skin microbiome balance

Functions & Benefit

- ☑ Deep hydration & skin barrier reinforcement
- ☑ Uses functional cosmetic-grade ingredients for brightening and wrinkle care Soothes sensitive skin
- ☑ and provides antioxidant protection

Differentiation

- ☑ Elevates feminine care to a premium skincare level
- ☑ Creates a new category by combining functional cosmetic benefits (brightening & wrinkle improvement)

FDA / ISO9001 / ISO14001 / ISO22716

This product has undergone rigorous skin irritation testing by clinical institutions, ensuring worry-free application for sensitive skin.

Dermatologically tested for primary skin irritation

Proven efficacy in temporary relief of skin itching

Clinically proven to soothe skin and relieve irritation

Beauryn Derma Care Bio - Cellulose Mask

Product Overview

This dual-action brightening and anti-wrinkle mask combines patented exosomes with soothing derma-care ingredients to help restore skin health, while delivering concentrated active ingredients through a blend of natural extracts and patented skincare technologies.

Key Ingredients

- ☑ CICAZO™ and Peptide EX → Intensive Hydration & Soothing Care
- ☑ Exosome-based soothing care for sensitive skin
- ☑ Ceramide barrier-strengthening mask
- ☑ Triple care for moisturizing, soothing, and radiance
- ☑ Bio-cellulose sheet for superior adherence and skin-fitting comfort

Premium Bio-Cellulose Sheet

Experience a luxurious spa-like skincare treatment through the premium sheet material itself.

■ 초밀착 쿨링 & 에센스 전달력

Made from naturally fermented coconut fruit juice, the bio-cellulose sheet features a three-dimensional fiber structure that perfectly adheres to the skin, including fine wrinkles and pores. Its naturally cooling effect helps soothe tired and irritated skin, while minimizing moisture loss while enhancing ingredient delivery.

Functions & Benefit

- ☑ Intensive moisturizing and skin barrier strengthening
- ☑ Dual-functional brightening and wrinkle improvement care
- ☑ Immediate soothing care with CICAZO™
- ☑ Naturally cooling bio-cellulose sheet with exceptional adherence

Differentiation

- ☑ Synergistic blend of CICAZO™ and five peptides
Complete "Cicasome™ Repair" solution
- ☑ Natural bio-cellulose sheet
→ A unique premium mask solution combining advanced skincare ingredients and bio-cellulose technology.

- Dual-functional cosmetic for skin brightening and wrinkle improvement.

Beauryn Derma Care Premium Tencel Mask

Product Overview

A premium Tencel sheet mask formulated with patented ingredients, plant-based proteins, and Cica-derived exosome ingredients. It contains plant-based collagen and both high- and low-molecular-weight hyaluronic acid, along with Plant-Based Camellia PDRN and a growth factor complex (EGF + FGF + IGF), providing dual functional benefits for brightening and wrinkle improvement.

Key Ingredients

- ☑ Cica Exosome™ → Soothing & Skin Conditioning
- ☑ Peptide Complex → Firming & Elasticity Support
- ☑ 5 Plant Protein Complex → Nourishment & Skin Vitality
- ☑ Ceramide Complex → Moisture Barrier Support
- ☑ Premium Tencel Sheet → Soft & Comfortable Adherence

Naturally Soft Premium Tencel Sheet

The premium 40g Tencel sheet is optimized for close skin adhesion, helping deliver the essence effectively and evenly across the skin.

■ Ultra-Adherent Tencel Sheet for a Perfect, Non-Slip Fit

The high-density eco-friendly Tencel sheet offers excellent moisture retention and maintains its structure after application. It locks in a rich amount of essence and delivers active ingredients evenly to the skin without gaps. The sheet conforms seamlessly to facial contours for enhanced comfort and ingredient delivery.

Functions & Benefit

- ☑ Intensive Hydration & Skin Conditioning
- ☑ Brightening Care with Niacinamide for Clearer Skin Tone
- ☑ Firming Care with Cica Exosome™ and Peptides
- ☑ Nourishing Care with a 5 Plant Protein Complex
- ☑ Soft and Comfortable Adhesion with Premium Tencel Sheet

Differentiation

- ☑ Developed with the synergistic combination of Cica Exosome™, Peptides, and 5 Plant Proteins Cicasome™ Protein Complex Concept
- ☑ Combination of a soft Tencel sheet and functional skincare formula
→ Designed as a premium daily skincare mask.
